RACEMAX 3T BOOST

2022/2021

The Exploro Racemax Boost e-bike is perfect for gravel & all-road riding. It's light yet tough, agile yet planted and fast yet fun.

Looks like a road bike, rips through rough terrain, hides a power boost inside. The fastest gravel bike - only faster.

This makes the Racemax Boost a great range-extender on your gravel adventure. Or it can help you keep up with faster friends on road and gravel rides. It can even be a great commuter: arrive without a sweat, integrate an adventurous workout on the way home.

ORBEA ORCA M30

2022

THE LIGHTEST AND MOST CAPABLE RACING BIKE

Performance, technology and style have always been cornerstones of cycling. We may not compete but we love the feel of a racing bike – an Orca that is light, fast and beautiful. Professional athletes, weekend warriors, Strava hunters and recreational riders all have similar aspirations – we love the machine as much as the lifestyle.
